Applications for Entry to Lower Kindergarten for Children born in December 2022 to December 2023 for Entry in September, 2027

PLEASE READ THE FOLLOWING CAREFULLY

Due to the extremely large number of applications received by CCKG each year for the limited number of School places available in the entry year, it is necessary for the School to apply strict rules for the processing of applications. These rules are set out in detail below. We regret the need for the strictness of the rules, but they are necessary in order to administer the application process properly and smoothly.

The responsibility for the submission of application forms and compliance with the rules set out rests with the applicants and CCKG accepts no liability or responsibility whatsoever in respect of such applications. Applications that do not meet the necessary age and documentary requirements cannot qualify as valid applications and will be disqualified without notice. We also wish to point out that the submission of an application form does not guarantee an invitation to interview.

1. Applications should be submitted **BY POST**:

   Please include for submission:

   - Application Form (with a recent photograph of the child glued to the form).
   - **Two** stamped, ($4.10) **self-adhesive**, self-addressed, C5 size envelopes with your child's name and date of birth on the front at the left-hand bottom corner.
   - A copy of the child's Birth Certificate.
   - A copy of the child's Baptism Certificate and proof of Church attendance from Minister of Church attended (if applicable).

2. An administration charge of $40 (FORTY), payable by cheque only, will apply to each form on submission. Please also include the cheque with the Application Form. Cheques should be made payable to *'Christ Church Kindergarten'* with the applicant's name, date of birth, and the cheque account holder's mobile telephone number, written clearly on the back. Please make sure there are no typos on the cheques. We will be unable to process the application if the cheques are returned for any reason.

3. Please fill in the form carefully and accurately. No corrections can be made after the School receives the application. Attach all documents to the application form with a paper clip (please do **not** staple them).

4. CCKG is part of Christ Church, Kowloon Tong. We are particularly pleased to receive applications from families who worship regularly at Christ Church. However, please note that giving false information about this or any other matter will result in the application being rejected.

5. Only those children born between **DECEMBER 2022** to **DECEMBER 2023** will be considered. Children born in other years are ineligible to apply. Please note that the School will not take responsibility for any inconvenience, expense etc., caused to ineligible applicants who submit application forms.

6. CCKG is an Anglo-Chinese School and the first medium of instruction is English. All interviews for admission will be conducted primarily in English.

7. Please note that admission to CCKG does not guarantee admission into any particular primary school including Diocesan Preparatory School, Diocesan Boys' Primary Division or Diocesan Girls' Junior School.

8. Please return the form by **Saturday, October 31** at the latest. Late forms will not be accepted.

9. We will send you an email to acknowledge receipt of your form. We recommend a gmail account for communication with the School. Please check your spam folder.

PLEASE NOTE:

Applicants will be notified BY POST of the interview procedures during the first week of December. Please do NOT contact the School about interviews before then. However, if you have not received any information regarding an interview for your child by ***Friday, December 4, 2026*** *then, and only then, please contact the School.*

Due to the large number of applicants, we regret we cannot reply to enquiries about your child's application in the meantime.

Application Forms are processed according to the child's month of birth, please give the child's NAME and DATE OF BIRTH in any communication with the School.

Reading in both English and Chinese is at the heart of the curriculum. We seek to be a 'reading school'. We hope that every child who comes to CCKG will acquire a love of books and reading as the foundation for life-long learning. Our teaching approach is interactive allowing students to learn both through directed play, discovery, and more structured activities. In addition to emphasizing the importance of academic achievement, we stress throughout the curriculum the importance of Christian values and attitudes, good manners, and self-discipline.
